***Uniting the world through language***

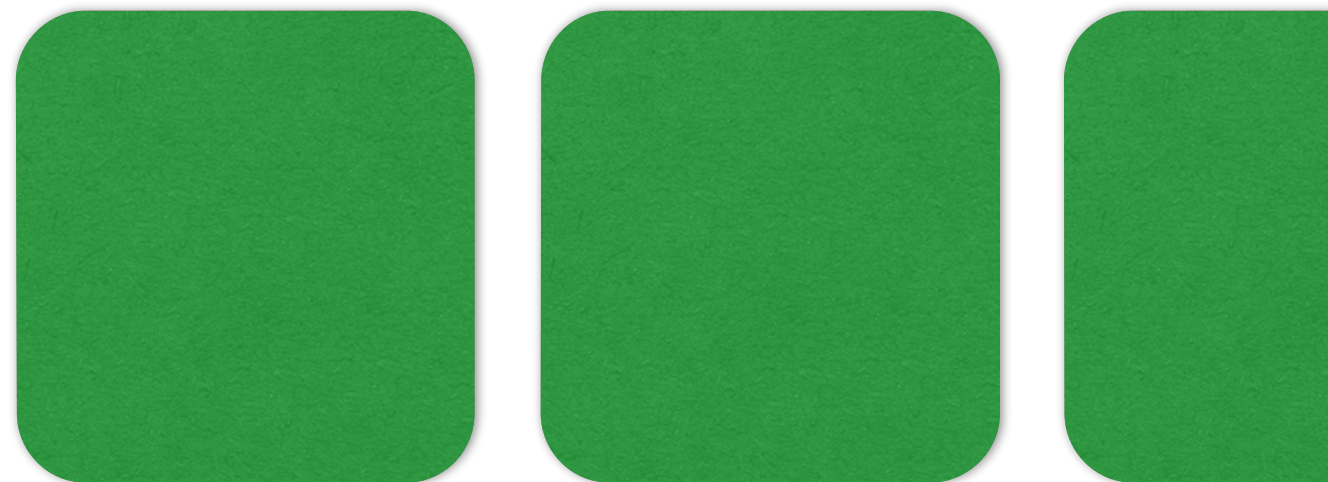

Jonathan, Eben, Paruku, & Guillermo

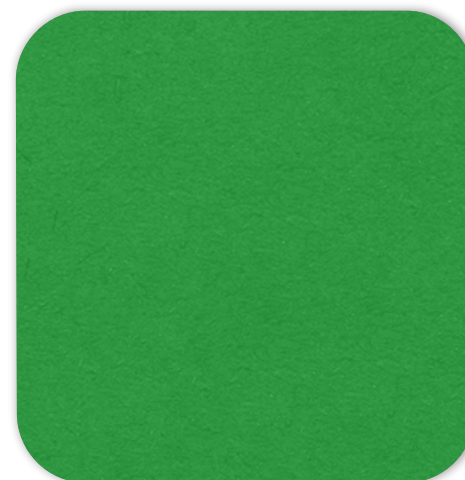

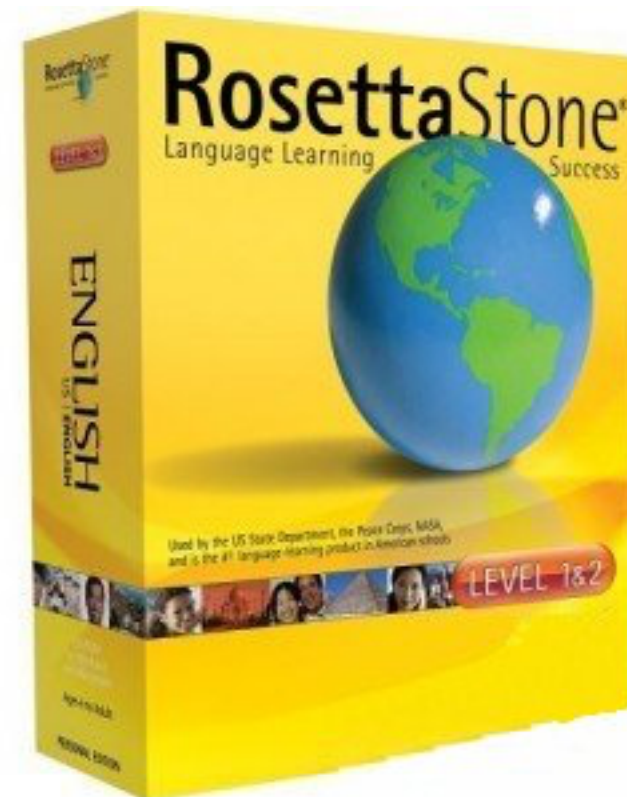

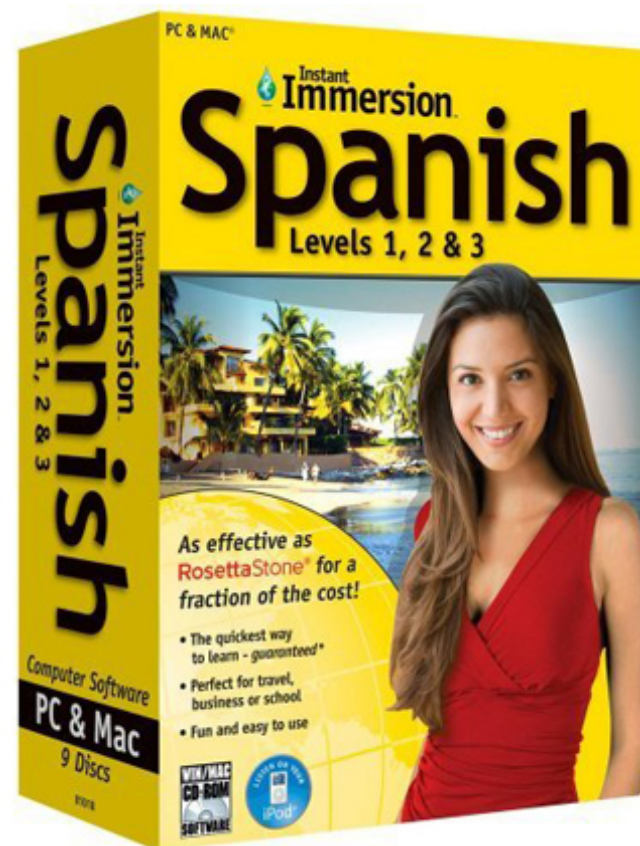

The importance of  
***immersion***

in learning a language is  
widely known, and has been drilled  
in advertisements for years.

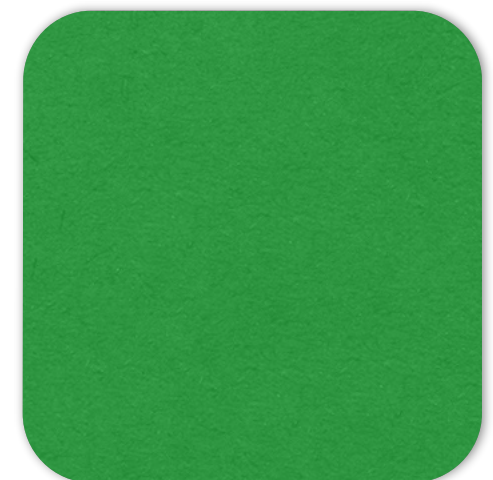

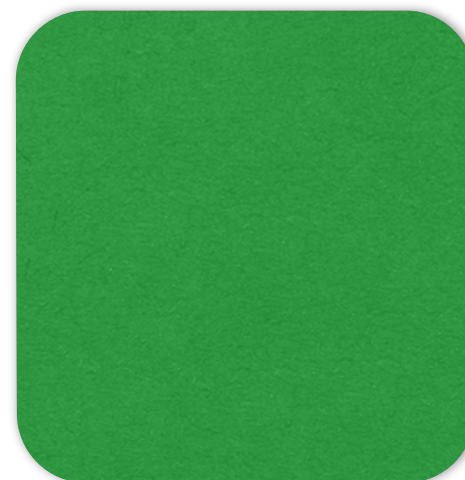

So why are we still interacting with ***static software***?

Or trying to make sense of ***these***?

	Present	Preterite	Imperfect	Imperative	
yo	empiezo	empecé	empezaba	positive	negative
tú	empiezas	empezaste	empezabas	empieza	no empieces
él, ella, usted	empieza	empezó	empezaba	empiece	no empiece
nosotros/as	empezamos	empezamos	empezábamos	empecemos	no empecemos
vosotros/as	empezáis	empezasteis	empezabais	empezad	no empecéis
ellos/as, ustedes	empiezan	empezaron	empezaban	empiecen	no empiecen

	Future	Conditional	Present subjunctive	Past subjunctive
yo	empezaré	empezaría	empiece	empezara
tú	empezarás	empezarías	empieces	empezaras
él, ella, usted	empezará	empezaría	empiece	empezara
nosotros/as	empezaremos	empezaríamos	empecemos	empezáramos
vosotros/as	empezaréis	empezaríais	empecéis	empezarais
ellos/as, ustedes	empezarán	empezarían	empiecen	empezaran

Present participle: empezando
   
 Past participle: empezado

Yeah... good luck with ***that***.

Our solution: bring the ***immersion*** to ***you***.

not fluent

**not** a native  
speaker

no match

**a new user**  
chinese -> swahili

# Challenges

## Design Risks

- How we match users
- Exchange of personal information

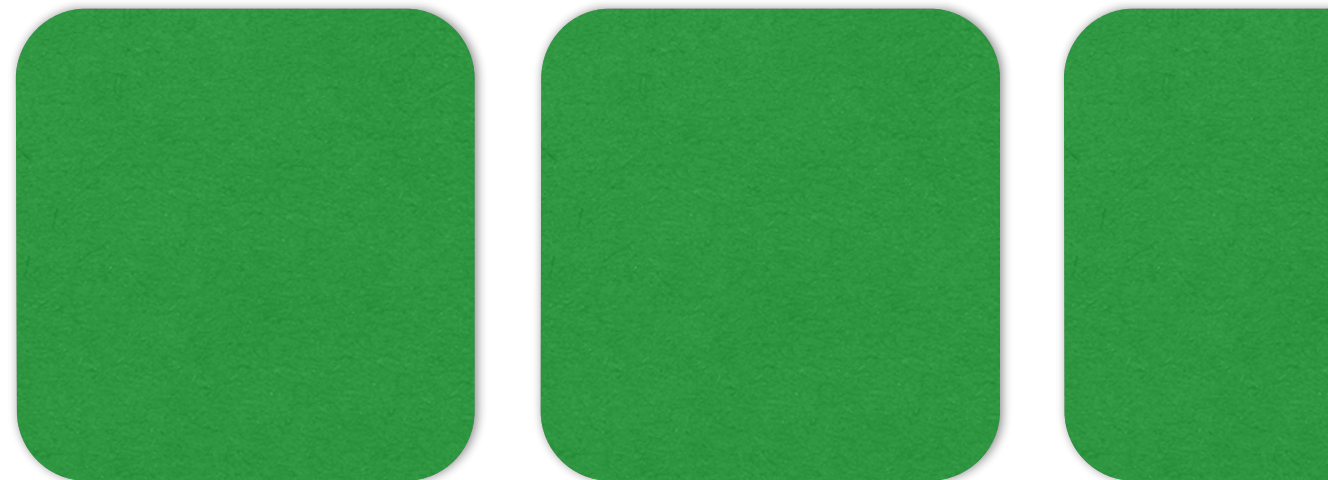

## Implementation Risks

- Concurrency in chat
- Security of chat

## Development Risks

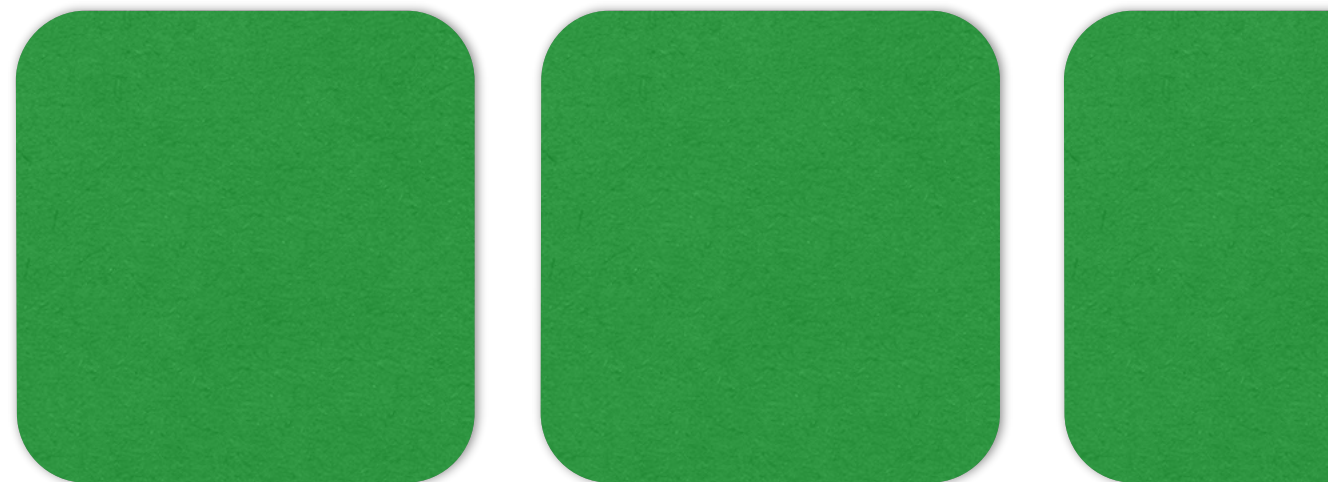

- Potentially implementing audio and video
